

INSTITUTE FOR INTEGRATED TRANSITIONS

## Vacancy: Audio-visual Communications Intern

Headquartered in Barcelona, the Institute for Integrated Transitions (IFIT) is a non-governmental organisation dedicated to helping fragile and conflict-affected states achieve more sustainable negotiations and transitions out of war or authoritarianism. IFIT's core work is to serve as an expert resource on integrated policy solutions for locally-led efforts to break cycles of conflict or repression.

IFIT is currently looking for a creative and motivated **audio-visual communications intern** to join our team in the **Barcelona office** for a period of **3 months**, starting in September 2024.

### The selected responsibilities will include:

- Brainstorming and researching ideas for original content on how to communicate IFIT's work and develop new strategies for increasing engagement.
- Pre-production, production and post-production of video materials, including planning, video recording, audio recording, editing and basic motion graphics.
- Contributing to the development of visual communications products such as infographics and social media assets.
- Supporting the team in other communications related tasks as needed.

### **Conditions:**

Although the internship is unpaid, IFIT offers: 1) reimbursement of travel to or from Barcelona for the purposes of the internship (up to a maximum of 500€), and 2) partial offset of specific living costs incurred by undertaking the internship in Barcelona (up to a maximum of 900€ per month).

### **Duration:**

- 3 months (potentially renewable)

### **Starting date:**

- 16 September 2024

### **Location:**

- Barcelona

### **Qualifications and Requirements:**

- Enrolment in or completion of a degree in a relevant audiovisual, film production or video journalism programme.
- A strong passion for audiovisual production and willingness to learn.
- Ability to transform complex narratives into easily understood visual output.
- Ability to conceive of visual content for different audiences and channels (e.g. social media, newsletters, website or print media)

INSTITUTE FOR INTEGRATED TRANSITIONS

- Proficiency in at least one professional editing software, like Premiere Pro, DaVinci Resolve or Final Cut.
- Basic knowledge of cameras, audio equipment, and lighting techniques.
- Ideally with some experience in digital design, community engagement programming preferred, and/or image editing software like Photoshop and/or Canva.
- Strong English-language skills. Other languages are an asset.
- Detail-oriented, collaborative, organised and reliable.

*IFIT is committed to building a racially diverse and culturally inclusive workplace and strongly encourages applications by candidates from underrepresented groups.*

### **How to apply**

Please send your CV, a one-paragraph expression of interest and samples of your work to Blanca Manresa ([internship@ifit-transitions.org](mailto:internship@ifit-transitions.org)), stating **“IFIT Audio-visual Communications Internship”** in the subject line. The application period will be open until 24<sup>th</sup> of July 2024; however, applications will be reviewed on a rolling basis, thus applicants are strongly encouraged to apply early. **Only candidates selected for an interview will be contacted.**
